

1579

Drake entered Drake's Bay and
claimed California for England

1579

Francis Drake claimed Calif. for
England.

1279

In England there had been an immense increase in Pasture (for sheep & wool) at the expense of tillage.

This was the chief social change between the Black Death and the age of Tudors.

1579

The Dutch declared themselves
free of Spanish rule.

America

West

Drake touched the coast
of North America and claimed
the country between 38° and
 42° N for England.

1579

1912 Dates J-BK

(1533-1584) ORANGE, William the Silent, Prince of
Founder of the Dutch Republic. Born at
DILLENBORG. He was the leader of the
insurrection which resulted from the
attempt of Philip II of Spain to stamp out
Protestantism and establish Catholicism
in the Netherlands. He succeeded in bringing
about in 1579, the Union of UTRECHT. This
marked the birth of the Dutch Republic but
in 1580 Philip put a price on William's head, &

he was assassinated at DELFT

1579
